

Step Up for Students Florida Tax Credit Scholarship

Geneva Classical Academy accepts the Step Up for Students Florida Tax Credit Scholarship.

To expand educational opportunities for children of families that have limited financial resources and to enable children in this state to achieve a greater level of excellence in their education, the Florida Legislature created the Florida Tax Credit Scholarship Program in 2001. The law provides for state tax credits for contributions to nonprofit scholarship funding organizations, (SFOs). The SFOs then award scholarships to eligible children of low-income families.

To apply for this scholarship, go to Florida Department of Education's website. There are limited funds and a maximum amount Geneva will accept, so early application is important.

Once receiving the award letter from the Florida Department of Education, provide a copy of the letter to the school office.
